

## **Golf Course 2nd Assistant – Full Time Position**

This position will work closely with the Superintendent and the 1st Golf Assistant with general turf maintenance and playing conditions of the corresponding golf course for the Fargo Park District. This position will repair and maintain irrigation systems, assist with chemical applications, and maintain accurate records related to turf maintenance, operate, and maintain equipment associated with turf maintenance and assist with training and supervision of seasonal staff.

### **ESSENTIAL FUNCTIONS:**

Assist seasonal staff with completion of daily work assignments; make field decisions regarding job procedures, work standards and equipment use. Train seasonal staff on operating, maintenance, and servicing of equipment to ensure operational standards.

Application of pesticides, fertilizers, and other chemicals related to turf maintenance as directed by the Superintendent or 1st Golf Assistant

Report any and all issues with the irrigation system to the Superintendent or the 1st Golf Assistant. Assist with the operation and repairs of the irrigation systems.

Operate and maintain all equipment related to golf course maintenance in a safe and efficient manner. Assist with the setup of the golf course and equipment on a daily basis.

Perform other duties as presented by the Superintendent or the 1st Golf Assistant.

### **REQUIREMENTS:**

Must possess a valid driver's license. Must have or the ability to obtain within six months of hire, a North Dakota Pesticide Applicators license, and a Class B CDL with Tanker Endorsement. Have or obtain Class C GCSAA accreditation within one year of eligibility to be certified.

### **EDUCATION/EXPERIENCE:**

Two-year degree from an accredited institution in Turf Management with one to two years of experience in turf maintenance.

Or, minimum of five years of experience in turf maintenance.

**We are accepting applications through 4:30 p.m. on Friday, March 18, 2022. Resume and cover letter are required.**
