**Golf Course Information:**

Redwood Falls Golf Club is a member owned golf course open to the public located next to Ramsey Park in Redwood Falls, MN. This 18 hole golf course was founded as 9 holes in 1922 and expanded to 18 holes in 2002. This golf course boasts beautiful topography, many established trees with bentgrass greens and bluegrass fairways, tees and rough.

**Job Description:**

The Superintendent will work for an established board of directors in conjunction with the Head Golf Professional. Duties will encompass, but not limited to, all facets of maintaining a golf course from mowing, pesticide and fertilizer applications, water management, irrigation, equipment maintenance, crew hiring/management, and budget development. We are seeking motivated individuals who are passionate about the golf industry and able to execute good decisions for the golf course based on the general direction of the board of directors.

**Job Qualifications:**

2+ years of golf course experience that include golf equipment maintenance and irrigation experience. Possess or be able to obtain MN Pesticide Applicators License (preferably prior to start date). Must possess a strong organizational and work ethic, positive attitude and be self-motivated. Good communication skills are a must.

**Contact Information:**

Please send resumes and cover letters via email, and feel free to contact me if you have any questions.
